

CITY OVERVIEW

The City of Pomona derived its name as the result of a community-wide contest held in 1875 to select a name for the City. Solomon Gates submitted the winning name, Pomona, the Roman Goddess of Fruit. Reverend Charles F. Loop had a 5½ foot statue of the goddess made in Italy at a cost of \$9,800 and donated it to Pomona. In 1889 John C. Fremont, a famous U.S. soldier and explorer, unveiled the statue of the goddess amid great fanfare. Over the years, Pomona has nobly represented the meaning of its name. The Pomona Valley has been a fruitful valley in the past and is now fruitful from the strength and efforts of its people. Pomona has been a source of strength and inspiration to the surrounding communities for many years. As the Goddess appears to be looking to the future, we are reminded of the past – our successes and challenges, the present – a review of our talents and opportunities, and the future – the hopes and dreams of the citizens of this City. Many have passed this way and have given much. We would not have expected less. As those who have come before us gave so much, we pledge to give no less than our forefathers expected when they saw the vision of Pomona's destiny. We are Pomona...the City of opportunity and destiny.

GOVERNMENT

Pomona was founded on January 6, 1888 and became a Charter City in 1911. The City operates under a Council-Manager form of municipal government. The Mayor is the presiding officer of the Council and is elected at-large. The Council on a rotating basis selects the Vice-Mayor. Councilmembers are elected for overlapping four-year terms. Each is elected by district electoral votes and represents the district where he or she resides.

The Mayor and City Council appoint the City Manager who serves as the City's Chief Administrative Officer. The Council also acts as the Board of the Redevelopment Agency and the Housing Authority. City Council / Agency meetings are typically held on the 1st and 3rd Monday's of each month. All meetings begin at 7:00 PM in the City Hall Council Chambers and are open to the public; however, should a matter need to be discussed separately, the Council may opt at the start of the meeting to hold a closed session. Upon completion of the closed session typically by 7:00 p.m., the meeting is open to the public.

LOCATION

The City of Pomona is located at the southeast end of Los Angeles County and borders San Bernardino County's western boundary and is just five miles north of Orange County. Pomona covers an area of approximately 23 square miles and enjoys a dry sub-tropical climate with an average temperature of 64° Fahrenheit with an average annual rainfall of 16.96 inches.

GREAT PLACE TO LIVE, WORK AND PLAY

Pomona is a full service city with fire services provided by contract with the County of Los Angeles. City Hall is located in the Civic Center complex in downtown Pomona. The County of Los Angeles Consolidated Fire District maintains eight fully staffed stations supported by fire prevention, community relations, state-of-the-art communications systems, and county command, control and administrative personnel.

The City provides parks, recreation and cultural activities, community development programs, parkways, medians, tree maintenance, water, sewer and refuse utilities, public safety, and general administrative services. The Community Services Department operates 26 parks, 13 community centers, 3 senior citizen centers, 2 public pools, a portable stage, 9 lighted tennis courts, 22 basketball courts and 31 ball fields (19 lighted). The City of Pomona Public Library maintains over 286,817 volumes and more than 8,282 in audiocassettes, compact discs, and other multi-media material.

Although the City of Pomona is best known as the site of the Los Angeles County Fair, where more than 1.3 million people visit each year, the 543 acre Los Angeles County Fairplex in Pomona has quickly become the venue of choice for national and international trade shows and conventions. The Sheraton Suites Fairplex Hotel has helped drive business even further with 247 rooms and meeting space for up to 600 people. Overall the City boasts a total of 1,469 hotel rooms. Pomona also offers two renowned medical facilities: the 453 bed Pomona Valley Hospital Medical Center, recognized as one of the top 100 hospitals nationwide with a staff of more than 650 physicians, 3,200 employees and 975 volunteers, and the nationally known Casa Colina Hospital for Rehabilitative Medicine.

Pomona is a City of hidden treasures. Not only is it the headquarters of the National Hot Rod Association (NHRA), but it also lays claim to owning the only grove of Redwoods in Southern California. It has nearly 3,000 historically significant buildings, a budding artists' colony, and renowned collectors fairs. Among the most precious of Pomona gems is the Ganesha Hills neighborhood. Tucked into rolling hills, Ganesha Hills' Spanish-style homes have won universal acclaim from developers and residents alike.

Pomona offers a workforce that is among the most diverse, well-trained, and skilled in the region. With a combined resource of more than 95,000 students at Cal Poly Pomona, DeVry Institute of Technology, Westech College, Western University of Health Sciences and other nearby colleges and universities, Pomona has an array of professional and skilled workers.

GENERAL STATISTICS & DEMOGRAPHICS

BOARDS & COMMISSIONS

To provide a systematic process for citizen participation, as well as serving as advisory bodies to the City Council within the confines of their respective responsibilities, the City Council, by ordinance, may create boards and commissions within the City government. Each commission is composed of Pomona residents who serve on a volunteer basis. Anyone who has been a resident of Pomona for a minimum of six-months, is a registered voter, and is interested in serving on a commission may obtain an application from the City Clerk.

Currently, seven boards/commissions exist whereby each member serves in honorary trust to its commission/board and the City. Each board/commission is comprised of seven members. Each member of the Council nominates a person from such council member's respective district for a two-year term. The following are our current boards and commissions:

- Board of Parking Place Commission VPD
- Community Life Commission
- Cultural Arts Commission
- Historical Preservation Commission
- Library Board of Trustees
- Parks & Recreation Commission
- Planning Commission

If you are interested in serving on one of these boards/commissions or would like more information, please contact the City Clerk or your City Council representative.

BBUDGET PROCESS

Pomona operates on an annual budget cycle. The one-year operating budget is adopted each June and becomes effective July 1. The City Council reviews and revises the Five-Year Capital Improvement Program annually. This approach to financial planning gives the City Council the opportunity to set policy and provide direction for operational and capital budgets in an efficient and productive manner.

Sections 1102 through 1111 of the Pomona City Charter sets forth the legal requirements for the preparation and adoption of the City budget and Capital Improvement Program. The Charter requires that the City Manager submit to the City Council a proposed budget at least 45 days prior to the beginning of the fiscal year. It further requires that the Council set a time for a public hearing and that a notice of such hearing be published in a local newspaper no less than ten days prior to the hearing date. In the event the budget is not adopted prior to the first day of the fiscal year (July 1) the amounts appropriated for current operations for the prior fiscal year will be deemed adopted for the current fiscal year on a month-to-month basis, until such time as the new budget is adopted.

In addition, the City Manager is required to submit to the City Council the Five-Year Capital Improvement Program at the same time or prior to submission of the operating budget.

Pomona uses a combined program and line item budget format. This is designed to provide for a comprehensive management control and fiscal planning system and is aimed at achieving goals and objectives at operational levels which are consistent with the needs and wants of the community. The budgeting process is generally an incremental one, which starts with a historical base budget. Requests for more or fewer appropriations are made at the departmental level. Throughout the entire budget process, staff continues to remain cognizant of public safety and legal requirements, as well as, providing the most efficient and economical service levels possible.

Budget Calendar: Altogether, budget preparation takes approximately nine months. Work typically begins in November (in the year prior to the first fiscal year of the budget) when the City Council adopts the Budget Calendar and culminates in August with the publication of the adopted budget document. The following schedule outlines the major steps and dates involved in preparing and processing the annual budget and covers one complete budget cycle.

November – City Council adopts the Budget Calendar for the upcoming fiscal year.

December – The Budget Manual and related material are distributed and reviewed in a training session. The budget team establishes program goals and objectives.

January - Preliminary revenue estimates are projected and departments submit preliminary expenditure budget requests to the Finance Department.

February & March - Budget requests are analyzed by the Finance Department and preliminary revenue estimates are reviewed and adjusted as appropriate. Finance staff and the City Manager meet with budget coordinators to review budget estimates. Revenues are compared with expenditures to determine the budget planning direction. Under the direction of the City Manager, the Executive Budget Team and Finance staff prepares the proposed budget. Department directors are then briefed on the Proposed Budget. The Five-Year Capital Improvement Program Budget is also prepared during this same period.

April / May- Preliminary budget information is presented to the Mayor and City Council; the budget document is printed and distributed.

May - City Council study sessions are held and the City Council makes final recommendations to the City Manager. Revisions are made to the final budget document per City Council direction.

June - The public hearing notice for the proposed budget is posted in the newspaper. The final proposed budget documents are prepared and submitted to the Council. The public hearing of the budget is conducted and the budget is adopted. The GANN calculation is prepared and submitted to the City Council for adoption.

August - The final Adopted Budget is published and distributed.

Amending the Adopted Budget - Once the budget is adopted by the City Council, the responsibility of implementing each departmental budget lies with each department head, with ultimate responsibility

resting with the City Manager. Department directors are expected to operate their departments within the appropriations established in the budget. Budget transfers or budget amendments should be the exception rather than the rule and are discouraged. In certain cases, however, requests are considered where unforeseen events have occurred. In such cases, the department head and Finance Director may approve transfers within the same division and expenditure category. Transfers moving funds from one division or department to another or one category to another requires the approval of the department head, Finance Director, and City Manager. To amend or supplement the budget by the transfer of all or any part of unused and unencumbered balances appropriated for one purpose to another purpose, to appropriate available funds not included in the budget, or to cancel in whole or in part any appropriation not expended or encumbered requires an affirmative vote of the City Council.

Amending the Capital Improvement Program budget requires City Council action, which is usually sought at time of bid award for the new or revised capital project.

Budget Documents - The Adopted Budget sets forth approved programs, operations, and the estimated revenues to support these efforts for the fiscal year. Three documents serve as the key for planning the type and level of service the City provides its residents and businesses.

1. **The Budget Manual** is an internal document that provides the basic instructions and assistance necessary for each department to prepare their budget submissions.
2. **The Policy Budget and Summary** document contains summary tables and graphs, descriptive narratives, and reports on each department and fund. The document is organized into several sections. The first five sections serve as both an introduction and overview of the budget.

INTRODUCTORY SECTION

The City Manager's **BUDGET MESSAGE** summarizes revenues, expenditures, and sets forth the major projections and budgetary issues for the upcoming fiscal year.

STRATEGIC GOALS are set by the City Council carrying forth the City's mission. This section contains a list of those core strategies and related goals.

The reader will find a wide variety of general information including a City overview, fund descriptions, the budget structure, definition of

revenue sources, an explanation of the budget process, boards & commissions, among other information in **The USER'S GUIDE** section.

The **FINANCIAL SUMMARIES** section provides various charts and graphs including projected fund balances, revenue and appropriation summaries, and planned transfers in and out.

The **REVENUES** section contains a line-item detail of historical and estimated revenues for all funds.

A summary of the **CAPITAL IMPROVEMENT PROGRAM** budget is included within this section.

A comprehensive listing of full-time personnel and personnel funding sources are shown in the **AUTHORIZED STAFFING** section.

The DEPARTMENTAL BUDGET SECTION gives details on all departments within the City including special revenue funds, enterprise funds, internal service funds, and redevelopment agency funds.

3. **The Five-Year Capital Improvement Program (CIP)** provides a detailed description of the project detail, cost, status, and funding source for capital/construction improvement projects scheduled to take place over the next five years. CIP budget preparation deadlines and publication dates parallel those prescribed dates for the operating budget.

BASIS OF ACCOUNTING & BUDGETING

The City of Pomona's accounting records are maintained in full accordance with Generally Accepted Accounting Principles (GAAP), as established by the Government Accounting Standards Board (GASB). The basis for budgeting is also in accordance with GAAP virtually without exception. Since the implementation of GASB 34, governmental fund financial statements are reported using the current financial resources measurement focus and the modified accrual basis of accounting. Revenues are recognized as soon as they are both measurable and available. Principal and interest on long-term debt are recorded as fund liabilities when due or when amounts have been accumulated in the debt service fund for payments to be made early in the following year.

A carefully designed system of internal accounting and budgetary controls is used to ensure that revenues and expenditures/expenses are tracked

and used as intended. These controls are designed to provide reasonable, but not necessarily absolute, assurance with respect to the reliability of financial and budgetary records for use in the preparation of financial statements as well as accountability for all City of Pomona assets. The concept of reasonable assurance recognizes that the cost of control should not exceed the benefits and that the evaluation of costs and benefits likely to be derived requires estimates and judgments by management.

BUDGET STRUCTURE & FUNDS

The City's accounts are organized on the basis of funds and account groups, each of which is considered a separate accounting entity. The operations of each fund are accounted for with a separate set of self-balancing accounts that comprise its assets, liabilities, fund equity, revenues and expenditures. Government resources are allocated to and accounted for in individual funds based upon the purposes for which they are to be spent and the means by which spending activities are controlled. The various funds are grouped into generic fund types and broad fund categories:

General Fund is the general operating fund of the City. It is used to account for all the general revenue of the City not specifically levied or collected for other City funds and for expenditures related to the rendering of general services by the City. This is the largest operating fund in the City.

Special Revenue Funds are used to account for revenues derived from specific sources, which are required by law or administrative regulation to be accounted for in separate funds.

Debt Service Funds are used to account for the accumulation of resources for, and the payment of, the City's general long-term debt obligations, including principal, interest, and related expenses.

Capital Projects Funds are used to account for financial resources used for the acquisition or construction of major capital facilities, which are not financed by proprietary (enterprise) funds.

Enterprise Funds are used to account for City operations that are financed and operated in a manner similar to private business enterprises. The costs of providing these services to the general public on a continuing basis are financed or recovered primarily through user charges. The City of Pomona has three Enterprise Funds.

Internal Service Funds are used to account for financing of goods and services provided by one

department to other departments within the City on a cost reimbursement basis. The City of Pomona has one Internal Service Fund.

Trust & Agency Funds are used to account for assets held by the City as an agent for individuals and other governmental units in a fiduciary capacity. Disbursements from these funds are made in accordance with fiscal agreements or the applicable legislative requirements for each fund.

The **General Fixed Assets Account Group** is used to account for and control all City general fixed assets, other than those in the proprietary funds. An item qualifies as a general fixed asset if it has a useful life greater than one year and a value in excess of \$5,000.

The **General Long Term Debt Account Group** is used to account for the City's outstanding long-term liabilities that are expected to be paid from future revenues of the governmental funds.

A listing and description of all funds may be found in the appendix section of this document.

ANNUAL AUDIT OF FINANCIAL RECORDS

All cities are required to retain the services of an independent Certified Public Accounting (CPA) firm to conduct an annual audit of the year's financial transactions. Our auditors are selected on a competitive basis through a formal, public Request for Proposal (RFP) process every three years as set forth in section 1116 of the City Charter. The resulting report is a comprehensive annual financial report (CAFR) that includes an introductory section, the independent auditors report, Management's Discussion and Analysis (MD&A's), government wide financial statements, fund financial statements, notes to the financial statements, and a statistical section. The reports are prepared in conformity with generally accepted accounting principles (GAAP) for governments and are usually available in late January.

The City of Pomona has been awarded the Certificate of Achievement for Excellence in Financial Reporting from the Government Finance Officers Association of the United States and Canada for the last fourteen years ended 93-06.

DEBT ADMINISTRATION

Debt management is an important component of a city's financial management practices. Cities use the option of debt financing to fund large projects at

a time when paying for these projects out of current revenues would be impractical. Long-term debt is never issued to fund current operations. Since the City does not have a formally adopted debt policy, State law pertaining to local government debt, Section 1110 of the City Charter, and past City debt transactions do serve as a de facto policy. As part of our on-going debt management program, the City periodically reviews all outstanding debt to evaluate the cost/benefit of restructuring or retiring any outstanding debt. All debt service payments are budgeted and are anticipated to be covered by current revenues each year. Additionally, the City is well below its annual debt limit as calculated below.

Under the City Charter, **General Obligation Debt** pledging City general revenues require voter approval by two-thirds majority. With this difficult electoral requirement, such debt obligations are rarely issued. Any attempted effort to issue general obligation debt would have to be for projects of special significance and of community-wide benefit. Debt limit for any general obligation debt is 15% of the City's assessed valuation. The City has not issued any general obligation bonds.

Total assessed value of all real and personal property at 6/30/2010	\$8,749,588,648
Debt limit percentage	<u>15.00%</u>
Total debt limit	1,312,438,297
Amount of debt applicable to debt limit	<u>-</u>
Legal debt margin	\$ 1,312,438,297

Capital Leasing can be used to acquire tangible assets where there is a pledge to pay the debt from current annual receipts and where the acquired assets can be placed under a lien until the debt obligation is paid off. The City of Pomona has used capital leasing to acquire equipment and currently has outstanding issues.

Special Revenue Debt can be used to finance capital projects where there is a pledge to pay the debt from a stream of revenue accruing to the City. This form of debt is used to finance facilities and improvements from enterprise fund activities, which generate ongoing revenues. The City of Pomona has used this type of debt for its water and sanitation enterprises.

Special Assessment Districts can be used to finance infrastructure for a limited area of the City. With this kind of debt, special assessments, or special taxes are levied against the property owners in a defined district who directly benefit from the infrastructure improvement. The City of Pomona has used this type of debt to finance infrastructure for new development in the City.

Under redevelopment law, **Tax Increment Financing** can be used for redevelopment activities. Property tax receipts from a defined redevelopment project area (above a base level set when the area is created) are restricted to the payment of debt. This incremental revenue can then be pledged for redevelopment debt. Repayment of the debt is the sole obligation of the redevelopment agency. The City of Pomona, through its Community Redevelopment Agency, has used this mechanism numerous times.

The City of Pomona has also issued **Short Term Debt**, such as Tax Revenue Anticipation Notes, or TRANS. Such borrowing is used to supplement the cash balances in the General Fund during the low points between the peaks when property tax receipts are received. Because of the "spread" on interest rates between taxable and non-taxable debt, the City can earn net income on such short-term borrowing.

Debt Service

A major portion of the long-term obligations listed below is debt directly or indirectly related to activities of the Pomona Redevelopment Agency. This debt is serviced primarily from tax increment revenues. All principal and interest payments due during the current fiscal year have been budgeted in its proper funds.

DEBT OBLIGATIONS

The following section summarizes the debt service obligations of the City as of July 1, 2010. These obligations represent the City's annual installment payments of principal and interest for previous capital improvement plan projects, acquisitions funded through debt financings, and redevelopment activity.

County Deferred Tax Loan:

Los Angeles County

- July 1, 2010 Outstanding Balance: \$32,757,883
- Interest Rate: 7%
- Funding Source: Redevelopment Agency's future excess funds

Notes Payable:

HUD Section 108 Loan

- Purpose: to provide communities with financial sources for economic development, housing rehabilitation, public facilities and large-scale physical development projects.
- Maturity Date: February 1, 2017
- Original Principal Amount: \$2,945,000
- July 1, 2010 Principal Outstanding: \$875,000
- Interest Rate: 5.8% - 7.08%
- Funding Source: future CDBG entitlements

ERAF Loan (1)

- Purpose: a Joint Exercise of Powers Act to finance Educational Revenue Augmentation Fund (ERAF) payment for 2005
- Maturity Date: August 1, 2015
- Original Principal Amount: \$1,455,000
- July 1, 2010 Principal Outstanding: \$820,000
- Interest Rate: 3.87% - 5.01%
- Funding Source: Redevelopment Agency

ERAF Loan (2)

- Purpose: for City to loan funds to RDA to finance Agency's 05/06 ERAF obligation to the State of California
- Maturity Date: 05/01/2017
- Original Principal Amount: \$1,380,244
- July 1, 2010 Principal Outstanding: 1,030,244
- Interest Rate: 10%
- Funding Source: Redevelopment Agency

Bonds:

1998 Tax Increment Revenue Bonds, **Series W**

Refunding of Series L, Series M

Partially refunded by 2006 Series AS/AT/AX

- Purpose: to make loan to RDA to refinance 1993 Series L

- Maturity Date: February 1, 2030
- Original Principal Amount: \$52,335,000
- July 1, 2010 Principal Outstanding: \$37,715,000
- Interest Rate: 3.8% - 5%
- Funding Source: tax revenue from Southwest Pomona Redevelopment Project Area

1998 Revenue Bonds, **Series X**

Partially refunded by 2006 Series AT

- Purpose: to finance improvements in the Mountain Meadows Redevelopment Project Area
- Maturity Date: 12/01/2024
- Original Principal Amount: \$5,055,000
- July 1, 2010 Principal Outstanding: \$ 2,385,000
- Interest Rate: 3% - 5.4%
- Funding Source: tax revenue from Mountain Meadows Redevelopment Project Area

1998 Tax Increment Revenue Bonds, **Series Y**

Partially refunded by 2006 series AT

- Purpose: to finance improvements in the West Holt Avenue Redevelopment Project Area
- Maturity Date: 05/01/2032
- Original Principal Amount: \$8,980,000
- July 1, 2010 Principal Outstanding: \$7,170,000
- Interest Rate: 3% - 5%
- Funding Source: tax revenue from West Holt Avenue Redevelopment Project Area

2001 Tax Increment Revenue Bonds, **Series AD**

Refunding of Series L, S, T, U, V, Z

- Purpose: to make loans to RDA to refinance 1993 Series L, 1997 Series S, 1997 Series T, 1998 Series U, 1998 Series V, and 1998 Series Z
- Maturity Date: February 1, 2033
- Original Principal Amount: \$39,165,000
- July 1, 2010 Principal Outstanding: \$38,080,000
- Interest Rate: 3.5% - 5%
- Funding Source: subordinate tax revenue of Merged Redevelopment Project

2002 Sewer Revenue Bond, **Series AF**

Refunding of 1996 Series Q

- Purpose: to refund 1996 Series Q and finance certain improvements to the sewer enterprise
- Maturity Date: 12/01/2042
- Original Principal Amount: \$15,205,000
- July 1, 2010 Principal Outstanding: \$13,570,000
- Interest Rate: 2% - 5%
- Funding Source: installment payment by City to PFA according to Installment Sale Agreement

2002 Certificate of Participation, **Series AG**

- Purpose: to provide funds to the City to finance certain public improvements
- Maturity Date: 06/01/2034
- Original Principal Amount: \$13,985,000
- July 1, 2010 Principal Outstanding: \$12,240,000
- Interest Rate: 2.8% - 10%
- Funding Source: lease payment from City to PFA

2003 Tax Increment Revenue Bonds, Series AH

Refunding of Series L

Partially refunded by 2007 Series AS/AT/AX

- Purpose: to make loan to RDA to defease 1993 Series L and finance certain improvements in the Merged Redevelopment Project Area
- Maturity Date: February 1, 2034
- Original Principal Amount: \$46,650,000
- July 1, 2010 Principal Outstanding: \$24,195,000
- Interest Rate: 3.7% - 5.25%
- Funding Source: pledged tax revenue from Merged RDA Project Area

2005 Revenue Bonds, Series ALRefunding of 2005 Series AM

- Purpose: to purchase 2005 Series AM Bonds and finance certain capital improvements
- Maturity Date: 09/02/2021
- Original Principal Amount: \$11,370,000
- July 1, 2010 Principal Outstanding: \$6,045,000
- Interest Rate: 2.5% - 5.1%
- Funding Source: District Bond Payment (Series AM)

2005 Revenue Bonds, Series AMRefunding of AD 294

- Purpose: to retire outstanding AD 294 Bonds
- Maturity Date: 09/02/2021
- Original Principal Amount: \$9,524,000
- July 1, 2010 Principal Outstanding: \$4,971,000
- Interest Rate: 7.22%
- Funding Source: unpaid reassessments from AD 294

2005 Lease Revenue Bonds, Series ANRefunding of 1995 Series P

- Purpose: to refund 1995 Series P and finance certain public improvements
- Maturity Date: 10/01/2035
- Original Principal Amount: \$19,910,000
- July 1, 2010 Principal Outstanding: \$19,710,000
- Interest Rate: 3% - 5%
- Funding Source: lease payment from City to PFA

2005 Taxable Lease Revenue Bonds, Series APRefunding of 1995 Series P

- Purpose: to refund 1995 Series P and finance certain public improvements
- Maturity Date: 10/01/2015
- Original Principal Amount: \$4,385,000
- July 1, 2010 Principal Outstanding: \$ 2,835,000
- Interest Rate: 4.12% - 4.875%
- Funding Source: lease payment from City to PFA

2005 Taxable Housing Tax Revenue Bonds, Series AQ

- Purpose: make loan to RDA to finance RDA activities to the Merged Redevelopment Project Area
- Maturity Date: 02/01/2031

- Original Principal Amount: \$10,065,000
- July 1, 2010 Principal Outstanding: \$9,320,000
- Interest Rate: 5.23% - 6.25%
- Funding Source: Housing Tax Revenue from the Merged Redevelopment Project Area

2006 Pension Obligation Refunding Bonds, Series ARRefunding of 2004 Series AJ/AK

- Purpose: to refinance 2004 Series AJ/AK Pension Obligation Refunding Bonds and convert prior obligations to a fixed interest rate
- Maturity Date: 07/01/2035
- Original Principal Amount: \$42,280,684.10
- July 1, 2010 Principal Outstanding: \$42,078,061.65
- Interest Rate: 5.24% - 5.832%
- Funding Source: City General Fund

2006 Revenue Bonds, Series ASRefunding of 1998 Series W & 2003 Series AH and AI

- Purpose: to make loan to RDA and refinance 1998 Series W and 2003 Series AH and Series AI
- Maturity Date: 02/01/2041
- Original Principal Amount: \$26,305,000

- Original Principal Amount: \$15,575,000
- July 1, 2010 Principal Outstanding: \$15,465,000
- Interest Rate: 3.625% - 4.50%
- Funding Source: Sewer Fund

POLICY GUIDELINES

The Program and Financial Plan (Budget) for the City of Pomona's is based upon certain financial policies and priorities as set forth formally or informally. These financial guidelines and policies lay out the framework for not only the development of the budget, but the ongoing operations of the City as a whole. It is important to continue developing these policies, as they are the financial foundation that supports the services to the community.

CITY COUNCIL CORE STRATEGIES

- Maintain and improve city infrastructure
- Provide quality city services to all residents
- Create long term prosperity through economic growth
- Develop safe, clean, family oriented neighborhoods
- Ensure safe communities through increased, targeted, and planned Public Safety efforts
- Develop mutually beneficial relationships with external organizations
- Develop a marketing strategy that enhances the image and perception of the City of Pomona

GUIDELINES

Operating Budget Guidelines

The City's annual budget is a plan of operation, complete with revenue estimates to ensure ability to finance that plan. The budget determines the quality and quantity of governmental services and the method of distributing costs to various segments of the community through collection of taxes and fees.

A budget should be regarded as a tool to aid management in operating an organization more effectively. The budget is the department's proposed spending plan and the primary responsibility for its development and accuracy rests at the department level.

Presentation of the budget provides the City Manager the opportunity to explain existing and proposed programs to the City Council and to focus attention on services and programs that may require City Council direction, legislative action and/or support for the City Council's creation, continuance, or problem resolution.

Adoption of the budget is one of the City Council's most important policy decisions and provides the legal basis for the expenditure of funds to accomplish those policies.

If a non-sworn position has been vacant for more than 2 years, the position will be eliminated unless specifically requested to retain and approved by the City Manager. To retain these type of positions, a Personnel Related Budget Request form, including a justification for retaining a position that has not been utilized in 2+ years must be submitted.

Revenue Guidelines

Historical trends are the basis for developing virtually all forward-looking City revenue estimates. A number of key line items are tracked, comparing the current pace of revenues received with prior years, adjusting for anomalies.

Changes in both national and local economics are factored in on top of the trends discussed above, such as forecasts for a slowing or rising real estate market, which could have an eventual effect on related revenues, i.e. Documentary (Property) Transfer Tax.

Known or strongly anticipated external events are also considered, as new major local businesses (or closures of existing ones) will impact Sales Tax receipts, while rate changes and market factors can have a significant impact upon the amount of Utility Users' Tax collected, just to name two examples.

Forecasts from other governmental entities are actively sought, and overlaid upon our local models. Unfortunately, these forecasts – which encompass such variables as County estimates of Property Tax growth – are often not available within the required time frame for budget development, but are a valuable tool when received in a timely manner.

Legislative changes – especially in recent years – can have a very substantial impact on revenue estimates. The “triple flip” of nearly 25% of Sales Tax moneys and the shift of most VLF receipts to Property Taxes are both good examples of the need to stay abreast of coming changes.

POLICIES

Operating Budget Policy

- The Charter requires that the City Manager submit to the City Council a proposed budget at least 45 days prior to the beginning of the fiscal year

Debt Policy

- Under the City Charter, General Obligation Debt pledging City general revenues require voter approval by two-thirds majority. With this difficult electoral requirement, such debt obligations are rarely issued. Any attempted effort to issue general obligation debt would have to be for projects of special significance

and of community-wide benefit. Debt limit for any general obligation debt is 15% of the City's assessed valuation.

- The City has not issued any general obligation bonds.

Purchasing Policy

- Centralized purchasing shall provide for efficient procedures for the purchase of supplies, materials, equipment and other property and services; to acquire supplies, materials, equipment and other property and services at the lowest possible cost commensurate with quality needed; to exercise positive financial control over purchases as provided by; and to ensure the quality of such purchases. Centralized purchasing shall operate as a division of the finance department.
- Purchasing of supplies, services and equipment of an estimated value in the amount of \$30,000 or less; the purchase of supplies, services, construction and equipment for public works improvements and repair projects of an estimated value in the amount of \$30,000 or less; and repairs to existing city equipment of an estimated value in the amount of \$30,000 or less may be made by the purchasing manager in the open market, with the city manager's approval of all procurements over \$20,000.
- The purchasing information listed above is consistent with the Purchasing procedures, definitions, and requirements in the City of Pomona's municipal code Section 2-961:977.

Cash Management/Investment Policy

- The Statement of Investment Policy is intended to provide guidelines for the prudent investment of the City's and Agency's temporary idle cash, and outline the policies for maximizing the effectiveness and efficiency of Pomona's treasury management system. The goal is twofold; one is to enhance the economic status of the City while preserving its capital resources, the second is to provide guidelines for authorized investments.
- All moneys entrusted to the City Treasurer is pooled in an actively managed portfolio. In accordance with Pomona City Code Sec. 704, the City Treasurer is authorized to invest City funds in accordance with California Government Code (CGC) Section 53600 et seq. This investment policy applies to all financial assets and investment activities of the City of Pomona and includes, but is not limited to, the following funds; General, Special Revenue, Debt Service,

Capital Project Funds, Enterprise Funds, Internal Service, Agency Funds, and any new fund, unless specifically exempted. This policy, however, specifically excludes the employees' retirement and deferred compensation funds. Additionally, moneys held by a trustee or fiscal agent pledged to the payment or security of bonds or other indebtedness, shall comply with CGC Section 53601 (L).

Reserve Policies/Fund Balance Policy

- The City General Fund minimum cash flow restricted balance shall be at least \$3.0 million dollars.
- The City will maintain a General Fund Reserve that will provide the necessary cash flow, a safety net for handling the unexpected, and flexibility in day-to-day operations.

Accounting, Auditing and Financial Reporting Policy

- An independent audit will be performed annually. An interim audit will be performed mid-way through the Fiscal Year to ensure correct accounting and internal control procedures are being followed.
- The City will produce a Comprehensive Annual Financial Report (CAFR) each year in accordance with Generally Accepted Accounting Principals (GAAP) as outlined by the Governmental Accounting Standards Board (GASB). This report is submitted annually to the Government Finance Officers Association of the United States and Canada for their Excellence in Financial Reporting Awards Program. (The City has received this award for numerous consecutive years.)
- The City will maintain a strong internal audit capability.

Capital Improvement Program Budget Policy

- The City will construct all capital improvements in accordance with an adopted capital program.
- The City will develop a five-year plan for capital improvements to be updated annually. Future capital expenditures will be projected annually for a five-year period based on changes in the community population, real estate development, or replacement of the infrastructure.
- The City will coordinate preparation of the Capital Improvement Program Budget with preparation of the Operating Budget. Future

operating costs associated with new capital improvements will be projected and included in Operating Budget forecasts.

- The City will identify the estimated costs and potential funding sources for each proposed capital project before it is submitted to Council for approval.

AALLOCATED COSTS

The City of Pomona's Fiscal Year 2010-11 Budget includes allocated costs in a number of line items which are common to most of the City's departments. These line items include Information Systems-related costs, Workers' Compensation, Unemployment, Liability, and the maintenance and operation of the City's Fleet. In addition, costs are estimated by Finance and recovered for City Telephone Service, Administrative Support, Mailing Services and Printing Services that are provided to all funds. These costs, which include both the actual service expense(s) as well as related personnel expenditures, are recovered from those departments making use of the respective service in proportion to the extent the provided services are actually used.

INFORMATION SYSTEMS

Departments are allocated a portion of the costs to support the services provided by the Information Technology Department. These costs are allocated using a formula that is based on each department's technology inventory. Each department's inventory is accounted for and then assigned a percentage based on the total amount of information system technology items factored into the total inventory citywide. Using this percentage departments are allocated a set cost each fiscal year to support the services that are provided by the Information Technology Department. Also taken into consideration and applied to the respective departments allocation are department specific software contracts and other technology services outside the standard level of service, an example of this type of service would be the City's Geographic Information System (GIS),

SELF-INSURANCE

Three self-insurance internal service divisions are utilized to account and pay for these expenses. One respective division has been functioning for liability, workers compensation, and unemployment insurance. Departments are charged directly for all claims. This will allow the City to more accurately track the actual departmental costs.

In addition to the direct claims expense, the Risk Management administrative operating costs, special

insurance and insurance premiums are factored into a separate allocation. These costs are allocated to each operating department based on their division's total Full Time Equivalent (FTE) versus the City's overall FTE.

EQUIPMENT MAINTENANCE/FLEET

All departments that have City vehicles in the City's Fleet are allocated costs for the maintenance of the vehicles. The methodology used to estimate the fiscal year expenses is based on several factors including; the number of labor hours spent working on the department specific vehicles in the prior year, the total quantity of vehicles in the department, the total mileage of the vehicle and the age of the vehicle. Also incorporated into the estimated costs are projected replacement parts, sublet costs, and fuel. All these components are combined to create a vehicle charge. This monthly charge is reimbursed to the Equipment Maintenance internal service fund.

TELEPHONE

Although not a "true allocated cost" citywide telephone costs are distributed in an allocated cost basis. Departments are assigned an estimated budget for telephones that is based on historical costs and an applied overhead rate to support the staff time needed to maintain the City's telephone system citywide. Departments are then charged for the actual phone expense for the fiscal year, as well as the actual overhead cost.

ADMINISTRATIVE SUPPORT

Administrative, Support and Legislative Departments receive a recovered cost for the services provided to other City Departments/Funds. The methodology that is used to determine the amount charged to the other departments refers to the personnel budgets of the non-general funds that are provided this service.

PRINTING AND MAILING SERVICES

Printing and Mailing Services are recovered from participating departments for this internal service provided. Departments are responsible for budgeting the amount needed for postage and printing/copying costs that will be incurred during the fiscal year at the City's print shop and mail center. Actual charges are accounted for by the Finance Department, then billed to the appropriate department.

GANN LIMITATION

In November 1979, the voters of the State of California approved Proposition 4, commonly known as the Gann Initiative. The Proposition created Article XIII B of the State Constitution placing limits on the amount of revenue, which can be spent by all entities of government from the "proceeds of taxes". Proposition 4 became effective for the 1980-81 fiscal year, but the formula for calculating the limits was based on the 1978-79 "base year" revenues.

In 1980, the State Legislature added Section 9710 to the Government Code, providing that the governing body of each local jurisdiction must establish, by resolution, an appropriations limit for the following year. The appropriation limit for any fiscal year, is equal to the previous year's limit adjusted for population changes and changes in the US Consumer Price Index (or California per capita personal income, if smaller). The necessary

statistical information is provided by the California Department of Finance.

The original Article XIII-B (Proposition 4) and its implementing legislation were modified by Proposition 111 and SB 88 by the voters in June 1980. Beginning with the FY 1990-91 Appropriations Limit, a city may choose annual adjustment factors. The adjustment factors include the growth in the California Per Capita Income, or the growth in the non-residential assessed valuation due to construction within the City and the population growth within the county or the city.

The Appropriations Limit for F/Y 10-11 is \$176,896,304 and the Appropriations subject to limitations is \$62,534,352 therefore the City of Pomona is \$114,361,952 below its Appropriations Limit.

RESOLUTIONS

RESOLUTION NO. 2010 - 77

A RESOLUTION OF THE CITY COUNCIL OF THE CITY OF POMONA ADOPTING AN OPERATING BUDGET FOR FISCAL YEAR 2010-2011.

WHEREAS, the City Manager has prepared and presented to the City Council of the City of Pomona a proposed operating budget in the amount of \$166,523,392 for Fiscal Year 2010-2011;

WHEREAS, the City Council held a public study session on May 19, 2010, in the Pomona City Council Chambers, at which time the preliminary budget was discussed;

WHEREAS, a public hearing was conducted on June 7, 2010, for which a notice inviting the public to express its views and objections to said budget was published in the Inland Valley Daily Bulletin on May 21, 2010; and,

WHEREAS, the City Council continued a discussion of the Fiscal Year 2010-2011 Proposed Operating Budget on June 21, 2010, in the Pomona City Council Chambers, at which time the proposed budget was considered;

WHEREAS, the original of said proposed budget will be revised to reflect all amendments, changes and modifications which, up to the time of the adoption of this resolution, the City Council believes should be made in said proposed budget as so submitted, including corrections to any non-substantive errors discovered.

NOW, THEREFORE, BE IT RESOLVED by the City Council of the City of Pomona, California, as follows:

SECTION 1. The proposed operating budget of the City of Pomona, as amended and modified, for the Fiscal Year beginning July 1, 2010, through June 30, 2011, is hereby approved and adopted in the amount of \$166,523,392. All appropriations for departments or major organizational units within the General Fund are approved. For all other funds, the fund total appropriations are approved. The approved appropriations for the General Fund and all other funds are contained in Exhibit A and are incorporated herein by this reference. The adoption of the budget supersedes all non-CIP appropriations previously adopted for Fiscal Year 2010-2011.

SECTION 2. The City Council authorizes the elimination of the following positions from the authorized staffing list: One Senior Management Analyst (Administration), one Business Development Specialist (Redevelopment), one Administrative Assistant I/II/III (Redevelopment), one Safety Officer (Human Resources), one Senior Administrative Assistant (Human Resources), one Accounting Technician I/II (Finance), one Administrative Clerk (Police), three Code Compliance Inspectors (Police), four Community Service Officers (Police), one Communications Systems Manager (Police), one Dispatch Manager (Police), one Helicopter Pilot (Police), one Jailor (Police), one Management Analysts (Police), one Police Records Specialist I/II (Police), one Senior Jailor (Police), one Senior Police Records Specialist (Police), one Assistant Police Chief (Police), three Police Corporal (Police), ten Police Investigators (Police), two Police Lieutenants (Police), twenty four Police Officers (Police), six Police Sergeants (Police), two Administrative

RESOLUTION NO. 2010 - 61

A RESOLUTION OF THE CITY COUNCIL OF THE CITY OF POMONA, APPROVING THE 2010-2014 FIVE-YEAR CAPITAL IMPROVEMENT PROGRAM AND ADOPTING A CAPITAL IMPROVEMENT PROGRAM BUDGET FOR FISCAL YEAR 2010-2011

WHEREAS, the City Manager has prepared and presented to the City Council of the City of Pomona the proposed 2010-2014 Capital Improvement Program and a proposed capital improvement program budget in the amount of \$9,057,279 for the Fiscal Year 2010-2011 as contained in Exhibit B and are incorporated herein;

WHEREAS, a public hearing had been conducted on June 7, 2010, for which a notice inviting the public to express its views and objections to said budget was published in the Inland Valley Daily Bulletin on May 21, 2010; and,

WHEREAS, the original of said proposed capital improvement program will be revised to reflect all amendments, changes and modifications which, up to the time of the adoption of this resolution, the City Council believes should be made in said proposed capital improvement program as so submitted, including corrections to any non-substantive errors discovered.

NOW, THEREFORE, BE IT RESOLVED by the City Council of the City of Pomona, as follows:

SECTION 1. The proposed 2010 Five-year Capital Improvement Program is hereby approved and the capital improvement program budget for Fiscal Year 2010-2011 funding is hereby adopted in the amount of \$9,057,279, a copy of which is on file and available for public inspection in the Office of the City Clerk.

SECTION 2. The City Council hereby approves a total funded CIP Budget consisting of 174 projects for a total of \$228,621,838, including the amount of \$9,057,279 in new funding stated in Section 1 above.

SECTION 3. The City Council hereby authorizes the amount stated in Section 2 to be altered based on City Council actions occurring in May/June 2010 that affect the 2010-11 CIP totals.

SECTION 4. The City Clerk shall certify to the passage and adoption of this resolution and it shall thereupon be in full force and effect.
