## ***PUBLIC WORKS***

### **STREET PRESERVATION - LOCAL CITYWIDE FY 20-21**

On March 15, 2021, the City Council awarded a construction contract in the amount of \$1,644,001.44 for “Street Preservation-Local Citywide (FY 20-21), Project No. 428-2590-xxxxx-68562”. The contract for this project was awarded to Gentry Brothers, Inc. (Contractor). This project will consist of rehabilitating existing streets per the City’s Pavement Management Program, with treatments ranging from slurry seal to thick grind and overlay. The street list and Location Maps are below. Some curb and gutter, sidewalk, and curb ramp upgrade work are also included. Streets awarded as additive alternates will be completed, as funds allow.

Construction is scheduled to start spring 2021 and be completed fall 2022. If weather, Pomona Unified School District schedule, and other factors allow, the project will meet its proposed schedule. The Contractor will send notices to neighboring residents, businesses, and schools prior to starting work notifying them of the construction. The work hours will be 7 A.M. to 4 P.M. The adjacent neighborhoods can expect to see temporarily modified traffic flow during the project. This project supports the City Council priorities and goal of improving street and associated sidewalk conditions.

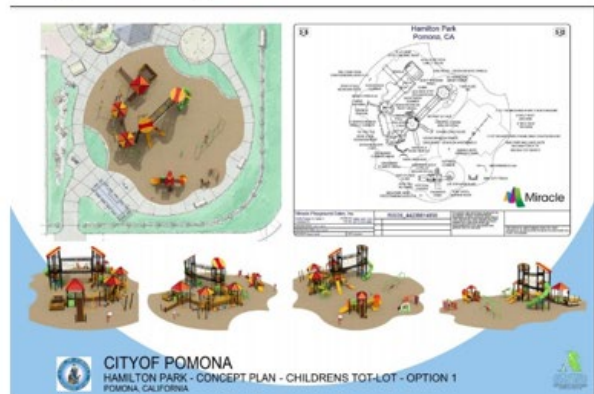

## **HAMILTON PARK PRELIMINARY DESIGN MEETING AND SURVEY**

On Tuesday, March 23, 2021, City staff held a preliminary design meeting, where its landscape design consultant, Architerra, presented a preliminary design concept to the community for the Hamilton Park Renovation Project. In 2020, the City was awarded \$1.5 million from the California Department of Parks and Recreation Statewide Park Program, funded through Proposition 68, to renovate Hamilton Park. The City has since engaged Architerra to design the park to fulfill the vision of the grant, which includes adding new playgrounds for ages 2-5 and 5-12, a water refill station, renovated pathways, renovated and enhanced lighting to increase safety, a gazebo, horseshoe pits, a renovated basketball court to include an art feature to be determined by the community, renovated field, water-wise landscaping, and the planting of approximately 25 additional trees throughout the park. Three options for playgrounds were presented at this meeting and the City would like your assistance in determining which playground you would like to see at Hamilton Park. You may vote on your favorite design here: [www.surveymonkey.com/r/HamiltonParkConcept](http://www.surveymonkey.com/r/HamiltonParkConcept)
