FIREWORKS

As a reminder, all fireworks are illegal in the City of Pomona. Fireworks are dangerous and affect quality of life in our neighborhoods. The risks and danger fireworks can cause are not worth it. Think about our veterans, children, pets, neighbors, and the community. Help keep Pomona safe by reporting individuals using, possessing or selling fireworks: 909-622-1241.

\$1000 fine for fireworks violations on your property. When an officer observes fireworks coming from a property, an administrative citation in the amount of \$1000 will be issued to the homeowner or responsible person.

NEIGHBORHOOD SERVICES

2021 OUTDOOR SUMMER MOVIE NIGHTS IN THE PARKS

Community Services believes that the more positive, family friendly activities you bring into local parks, the safer the parks and their surrounding neighborhoods become. Simply put, the good activities will help deter the bad activities. With this shared belief, Community Services and Day One began partnering to host FREE outdoor movie nights in the parks in 2016. Together, this collaboration has been able to provide a total of 22 movie nights between 2016 and 2019 (three in 2016, six in 2017, seven in 2018, six in 2019 and none in 2020 due to the COVID-19 pandemic).

During the summer of 2021, this collaboration will continue to host **four (4)** movie nights as we transition back to “in-person” events again! We anticipate returning to hosting more movie nights in future summers. Based on community feedback on social media, movie nights will be on Fridays instead of Saturdays. All movie nights will be hosted in accordance with LA County Department of Public Health protocol that is in place during the time of the events. More information about restrictions will be provided to the community as updated protocols are released next week.

Community Services is also in the process of purchasing a brand new inflatable movie screen and projector to enhance the movie night experience! The Ganesha Bandshell will be used for the first time as a movie night location this year.

Movies will begin at sunset and will be free and open to the public. The flyer outlines the dates, locations and featured films for all four movie nights. Please join us and help spread the word!

YOUNG WRITERS YOUTH WRITING CAMP – JUNE 14 – 25, 2021

Community Services is committed to combating summer learning loss through a variety of academic and enrichment opportunities. Together, the City and the University of California - Riverside Inland Area Writing Project will host a FREE two-week, in-person summer writing camp to provide youth in grades 4th through 6th the opportunity to explore the craft of writing. The summer writing program will offer youth of all skill levels the opportunity to learn the process of writing, explore various writing styles and methods, and build self-confidence as a writer in a fun, supportive environment. Through instruction, youth will be provided with opportunities to express themselves with words, cultivate a passion for writing, connect with others, and utilize their skills to further their academic success.

The writing camp will be led by credentialed teachers and will provide high quality writing instruction in a safe, open and nurturing space, in accordance with current LA County Department of Public Health protocols. Instructors will incorporate structured writing time, create writing assignments and daily opportunities to share writings with peers within a diverse and supportive environment. A Writers' Showcase will be held to

allow participants to display their work to family, fellow students, and leaders to celebrate youth's writing projects. Breakfast, lunch, snacks, transportation and field trips will be provided.

Space is limited to 15 participants and spots are still available. Please help spread the word and have kids register today! Registration for this camp and other summer activities can be completed at bit.ly/virtualcommunitycenterclasses. More summer youth activities will be promoted soon and advertised on the City's Facebook and Instagram account, so check back often!
