#### **DEVELOPMENT OF THE FY 2022-2023 ANNUAL ACTION PLAN**

The City of Pomona is in the process of developing its FY 2022-2023 Annual Action Plan. Annually, the City receives entitlement funding through the Department of Housing and Urban Development (HUD) for the following programs: Community Development Block Grant (CDBG), Home Investment Partnership Program (HOME) and Emergency Solutions Grant (ESG). The Plan will outline the amount of funding available and activities that may be undertaken to meet housing and community development needs.

As a condition of receipt of these funds, staff is consulting with the following stakeholders to solicit their input on the City's needs:

- Community Residents
- Community Organizations Serving Residents
- Council Members
- Commissions
- Pomona Continuum of Care Organizations
- Pomona's Promise Group
- State and Local Health Agencies
- Public Housing Agencies

To ensure citizen and stakeholder participation in the development of the Action Plan, outreach efforts will include mailing informational postcards to over 44,000 households citywide, informing them of community meeting dates through various platforms, requesting their input via a Community Needs Survey and notification of Requests for Proposals (RFPs) for Community-Based Organizations (CBOs) to assist in providing services to residents. Please see the following links to participate in the Action Plan Development process (online Survey goes live – October 26, 2021 and RFPs open on October 28, 2021):

### **PROJECT WEBSITE LAUNCHED FOR PARKS AND FACILITIES MASTER PLAN**

In May 2021, City Council approved a resolution to create a Parks and Facilities Master Plan and awarded an agreement with RJM Design Group to assist with the preparation of the plan. The plan will provide the City with an assessment of existing conditions of its parks and facilities, identify the community's recreation needs, prioritize recommendations, and generate a plan for long-term maintenance, improvement, and development of the City's parks and facilities. The plan is expected to be completed in July 2022.

Through April 2022, public outreach will be conducted through a number of community workshops, stakeholder interviews, a sports organization questionnaire, and a community survey. A project website has been launched to provide updates, collect data, and obtain valuable community feedback. To learn more about the project and find out how to become involved in upcoming community meetings, please visit the City of Pomona [Parks and Facilities Master Plan website](#).

## ***PUBLIC WORKS***

### **STREETLIGHT VANDALISM**

Over the course of several weeks, the City has experienced an increase of vandalism to streetlights from copper wire theft. Recent vandalism ranges from stealing wires from street light circuits to breaking into service pedestals and turning the breaker off so the entire neighborhood is affected.

The following areas have been greatly impacted:

- Garey / Reservoir / Philadelphia / County
- Westmont Area
- Garey Ave. between Olive and County
- Mission Blvd. between Phillips to Temple Ave.

The Public Works' Traffic Operations Division is working diligently to repair damaged circuits, fixtures and associated impacted infrastructure. These repairs are time-consuming and costly. As a result, some areas may experience street light outages for several weeks before repairs are completed. We thank you in advance for your patience regarding this matter and remind you to call the Pomona Police Department if you witness vandalism in progress or suspicious activities around street light fixtures or infrastructure. If you see something, say something.
