PARKS AND FACILITIES MASTER PLAN

The City of Pomona needs your input in developing a Parks and Facilities Master Plan! The first community webinar was held on February 23, 2022, at 6:00 pm, and included a brief presentation on the process. A new video and community survey was also released the day before the webinar. The video will be available for the next two weeks to watch and learn more about the process. Once you watch the video, please participate in the survey to make your voice heard. There are many ways the City is soliciting feedback for the Parks and Facilities Master Plan, and this new survey is one way to make your voice heard. The Parks and Facilities Master Plan will provide a clear vision for developing and enhancing the City's parks, recreation facilities, and recreation programs. Your input is essential in developing this master plan and the future of the City's parks.
