#### **FIFTH ANNUAL SPRING EGG HUNT | APRIL 9, 2022**

The City of Pomona's Community Services Division is excited to bring back the City's Annual [Easter Egg Hunt](#) for the fifth consecutive year. Due to the pandemic, the City's annual Egg Hunt event was canceled in 2020. In 2021, the Division offered a COVID-19 safe alternative called Snap a Spring Selfie at Washington Park.

This FREE event will be held concurrently at four Pomona parks: Philadelphia Park, Westmont Park, Garfield Park, and Kennedy Park. Community Services will partner with a variety of community organizations (e.g. The dA, Project Sister, Village Academy, Cal Poly Kellogg Honors College, and Project Horseshoe Farm) to create a fun, safe, and family-friendly event.

Games and activities, as well as a visit from the Easter Bunny will begin at 9:00 a.m. The Egg Hunt will begin promptly at 10:00 a.m. with 12,000 eggs being distributed between the four parks! The participants will be separated into three different age groups, serving children 11 years and younger. In each age group area, there will be a hidden golden egg. The lucky child who finds the golden egg will be given a special basket.

## **WATER RESOURCES**

### **NATIONAL MAYOR'S CHALLENGE FOR WATER CONSERVATION**

#### **APRIL 1<sup>ST</sup> - 30**

Mayor Tim Sandoval is joining mayors across the country in asking residents to make a long-term commitment to reduce pollution and manage water resources more wisely. In return, residents can win \$3,000 toward their home utility payments, water saving fixtures, and hundreds of other prizes. Plus, one lucky charity from a winning city will receive a 2022 Toyota Highlander Hybrid to serve the community.

This annual challenge, April 1- 30, is a non-profit national community service campaign that encourages leaders to inspire their residents to make a series of simple pledges at [www.mywaterpledge.com](http://www.mywaterpledge.com) to use water more efficiently, reduce pollution, and save energy.

Last year, residents from over 2,000 cities in all 50 U.S. states pledged to reduce their annual consumption of freshwater by 3 billion gallons, reduce waste sent to landfills by 80 million pounds, and prevent hundreds of thousands of pounds of hazardous waste from entering our watersheds. The Challenge goes beyond short-term issues and looks at the ways our water use will affect the future of our communities - from how we manage our coasts, lakes, and rivers, to reducing polluted runoff.

Mayor Sandoval is encouraging residents to take the pledge to conserve water, save energy, and reduce pollution. To participate, residents go to [www.mywaterpledge.com](http://www.mywaterpledge.com) and then makes a series of online pledges to conserve water on behalf of the City of Pomona. Pomona competes against other cities in the category of 1000,000 – 299,999 residents. Cities with the highest percentage of residents who take the challenge in their population category, have a chance to win \$3,000 toward their home utility bills, and hundreds more eco-friendly prizes including Toro Irrigation Smart Controllers, gift cards for Hobie Surf Shops, and more. In addition, residents can nominate a deserving charity from their city to receive a 2022 Toyota Highland Hybrid. Students and teachers are encouraged to take part as well.

The National Mayor's Challenge for Water Conservation is presented by the Wyland Foundation, with support from Toyota, the U.S EPA WaterSense, The Toro Company, and National League of Cities.
