On Saturday, April 16, 2022, Art Saturdays concluded with ceramics at Kiwanis Park. Since February, each class has had full registration and a waitlist. Art Saturdays was a FREE program for youth, ages 7-17, offered at various City community centers on Saturdays, from 9:00 a.m. – 12:00 p.m. Activities included an introduction to art appreciation and a discussion of specific topics and an artist within that topic, such as abstract art, sculpture art, anime, and ceramics.

RESERVING PARK SPACE: WORKING TOGETHER TO MAXIMIZE PARK USAGE

As COVID-19 restrictions have eased and the weather has begun getting warmer, there has been an increase in park usage. Accordingly, Community Services has been diligently working to expand programming, collaborations, recreation classes, and special events to activate Pomona's parks. Additionally, the Division has seen a recent increase in requests for special events, activities and classes from community members and local organizations.

The City is committed to providing excellent customer service and wants to help ensure the safety and success of the activation of Pomona's parks.

If you or your organization are interested in reserving a City facility, pavilion, athletic sports field, pool, etc. or hosting a special event, activity or class, please call (909) 620-2321 or visit the Palomares Park Rental Office (in person) from Monday-Thursday 10:00a.m.-6:00p.m.

A Community Services team member can help advise on which applications or permit(s) may be required as well as associated requirements and timelines. By working together with the City, we can help maximize the positive activities occurring in Pomona's Parks while avoiding, scheduling conflicts, competing activities, double-bookings, overlapping of events or park repairs.

Every small act makes a big difference. Metrolink invites all Southern California Residents to take the first step together by taking the train on Earth Day. Last week, Metrolink announced that trains now run on 100% renewable fuel – making it the first passenger rail agency in the nation powered by renewable fuel. FREE COMPOST GIVEAWAY EVENT - APRIL 23RD

The Public Works Department is pleased to announce the first of four free compost giveaway events taking place on Saturday, April 23, 2022, from 8:00 a.m. to 12:00 p.m. at the City Yard located at 636 W. Monterey Avenue. Residents will be limited to four 32-gallon containers. This is a self-serve event. Residents are encouraged to bring durable containers, shovels, and gloves. The giveaway is on a first-come, first-serve basis. One of the City's franchise haulers is providing the truckload of compost.

The next three events will be on May 14, 2022, May 21, 2022, and May 28, 2022, also at the City Yard.

CALTRANS OFFERS FREE DUMP LOCATIONS AS PART OF EARTH DAY

The California Department of Transportation (Caltrans) District 7 is providing residents throughout Los Angeles and Ventura Counties an opportunity to remove household debris in one of several free [Earth Day/Dump Day events](#) on April 23, 2022. These events are part of the Clean California program to encourage responsible trash-handling practices and disposing of waste materials safely and properly. Dump Days also create awareness and lay the groundwork for a sense of community responsibility to help keep neighborhoods clean.

Earth Day/Dump Day below will take place on April 23rd from 9 a.m. to 2 p.m. at the 2650 South Garey Avenue in Pomona. The event may end early if capacity is reached. Caltrans will have staff on site to accept household waste and approved debris at no charge.

Dump Day collections at all locations are limited to household solid waste, mattresses, glass, paper, and clean dirt (limited to a pickup load). Items that will not be accepted are batteries, propane cylinders, oil or petroleum contaminated products, vehicle filters,

vehicles or vehicle engine parts, sand, liquid waste, salt/brine, detergents, used needles/sharps containers, medicine, bulbs, florescent tubes, tires, tire carcasses, tire split rims, chemical containers, hazardous waste, paint containers, electronics, treated wood, contaminated dirt, sewage, and asbestos.

Caltrans reminds motorists to properly secure and tarp all cargo loads prior to driving. Transporting unsecured loads is unsafe, illegal, and pollutes California's roads and waterways.

Tips for securing your load:

- Completely cover loads with tarps or cargo nets. Debris can escape from gaps.
- Remove loose material and trash before driving.
- Don't overload; keep materials level with your truck bed.
- Put light items lower, tie large items to the vehicle for traffic safety.

Part of Governor Gavin Newsom's California Comeback Plan, Clean California is a sweeping \$1.1 billion, multiyear cleanup effort to remove trash, create thousands of jobs and engage communities to transform roadsides and restore pride in public spaces. Visit [CleanCA.com](https://www.cleanca.com) for more information.
