POMONA AWARDED \$5.1M CALIFORNIA VIOLENCE INTERVENTION AND PREVENTION (CALVIP) GRANT-

The City of Pomona has been awarded a \$5.1M California Violence Intervention and Prevention (CalVIP) Grant, issued by the California Board of State and Community Corrections. The CalVIP Grant encourages jurisdictions to develop a local approaches to reduce violence that meet the diverse needs of each Community.

The Pomona Partnership for Violence Prevention and Neighborhood Wellbeing will work to reduce violence in the City of Pomona by establishing an Office of Violence Prevention (OVP) and Neighborhood Wellbeing to coordinate all activities. The Pomona OVP will serve individuals in Pomona who are at highest risk of involvement in violence crime and the community members most directly affected through street outreach, community stakeholder engagement, cognitive behavioral therapy, diversion, employment and job resources, intensive case management, mental health services, and mentoring through credible messengers.

POMONA AWARDED JUDY L. KESEY MEMORIAL FUND GRANT

The City of Pomona has been selected as a recipient of the second annual \$5,000 Judy L. Kelsey Memorial Fund grant to fund summer internships in the City. Named after a longtime California city manager, the grant was established to enable internships for those with a passion for local government.

The City's intern will assist with in-depth research and analysis on warehouse and industrial uses within a specific area of the City. There is growing interest to address the environmental health impacts and land use compatibility of warehousing in the City as part of the City's comprehensive zoning code update. The City's intern will help assess how many warehouses are needed, the impacts of these uses on infrastructure, and additional high-level strategizing.

PLANNING

LATEST PLANNING COMMISSION DECISIONS AND APPEAL DATES LISTED BELOW:

PLANNING COMMISSION (PC) AGENDA ITEMS

	Project Description	PC Decision	Appeal Ends
Elements Architecture 440 W. La Verne Ave. Council District No. 6 (Conditional Use Permit)	A request for the modification to an existing conditional use permit to permit the renovation and addition to the existing church building. Phase 1A includes a new addition that will house a restroom, kitchen & café, fellowship spaces, as well as renovating existing rooms to create a reception area, nursery, office and meeting room. Phase 1A will also include a new accessible curb ramp and path of travel to the public right of way. Phase 1B includes a new youth room addition, and fence playground. The proposal represents the expansion of a non-conforming public assembly (house of worship) with accessory outdoor services, and retention of accessory day care center and single-unit residence (parsonage) on the property located on the southwest lot of the W. La Verne Avenue and Fulton Road intersection at 440 West La Verne Avenue.	CUP 016605-2021 Approved June 8, 2022	June 28, 2022

POLICE

CANCELLED DUI/CDL CHECKPOINT

The Pomona Police Department's checkpoint originally scheduled for this Friday, June 10th, has been cancelled.

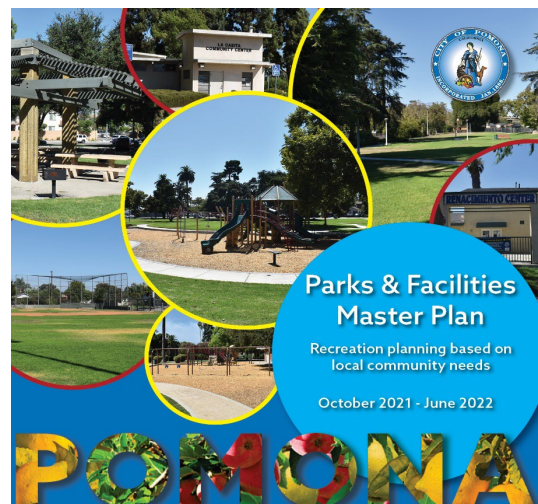

PUBLIC WORKS

CONCRETE SHORTAGE

The construction industry is experiencing severe labor and material shortages in many areas, including concrete. This concrete production shortage is affecting projects such as Caltrans' SR-71 Widening Project and the City's ADA Path of Travel project, in addition to private development. Concrete deliveries are generally running 2 to 3 weeks behind schedule. These material shortages, along with other supply chain issues, are resulting in project delays. The City of Pomona is working with Contractors and City Staff, considering alternative materials, where possible, to help keep projects on intended schedules.

PARKS AND FACILITIES MASTER PLAN

The City of Pomona is developing a Parks & Facilities Master Plan, which will assist the City in improving its parks and programs, while also prioritizing park needs. Your feedback and input is crucial to making this plan a success. If you were not able to attend the in-person meeting on May 25th, you can still make your voice heard. Please visit the website below, watch the City of Pomona Workshop #3 Commencement Video, and take Survey #3. The more assistance and feedback we receive from the Community, the more successful the future of our parks will be.

WATER RESOURCES

CITY COUNCIL DECLARES LEVEL 2 WATER SUPPLY SHORTAGE; 2-DAY OUTDOOR WATERING

In response to Governor Newsom's March 2022 Executive Order N-7-22 mandating limits on outdoor water use, the City Council has declared a Level 2 Water Supply Shortage. In addition to other items, this action requires residents to limit watering turf to two days per week. Other water use restrictions are outlined on our [City website](#).

The water use limitations impacting most customers is the limitation on irrigating turf to only two days per week, which are outlined below. Additional limitations come from the State's mandates which include prohibiting all

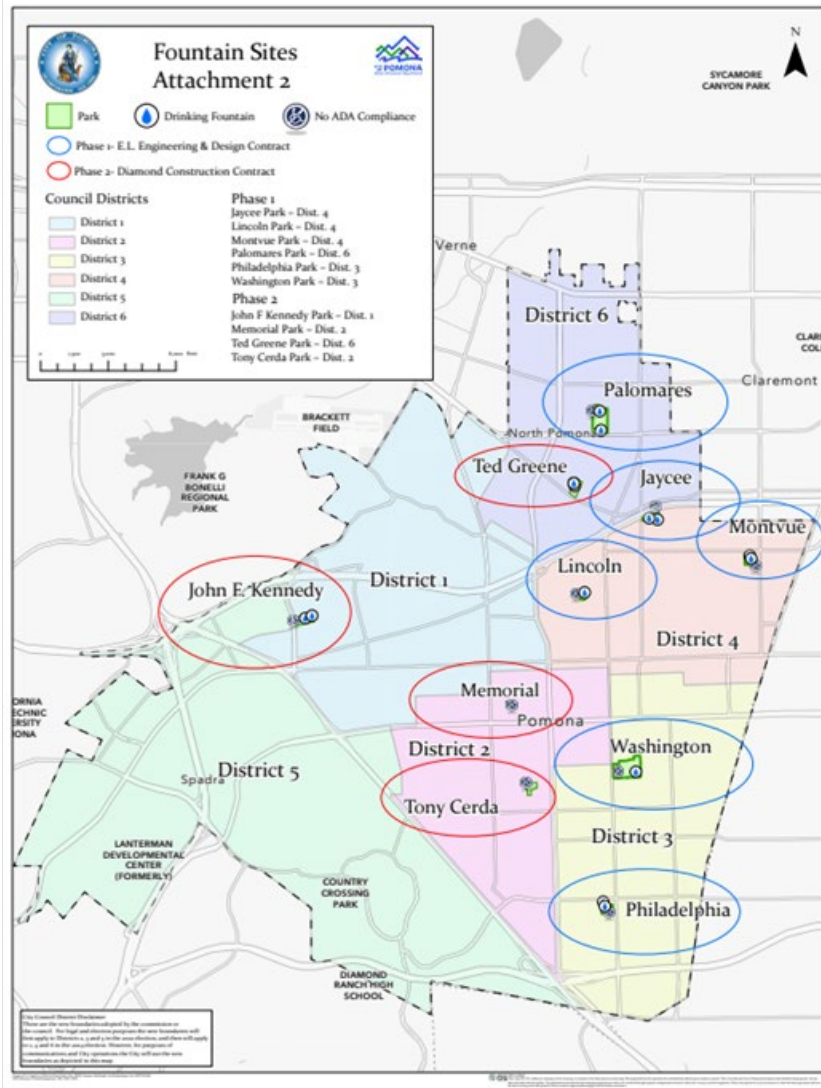

turf irrigation at commercial, industrial, and institutional sites, unless this turf is used for recreational purposes such as at parks and sports fields. Finally, it is important to remember to continue to irrigate your trees to keep them healthy, which is an approved water use.

City staff will be promoting water conservation tips and rebates at most City events. In addition, notices will be provided at the City Hall counters, community centers, Library, Reader Board, City Hall, City Hall TV, and on social media platforms, Facebook and Instagram.

PHASE 1: HYDRATION STATION UPGRADES

In an effort to bring existing drinking fountains up to Americans with Disabilities Act (ADA) standards, replacement fountains are being installed as part of the City’s Hydration Station Upgrade project. Water Resources Staff, in collaboration with Parks & Facilities Staff, are working with the City’s maintenance contractor, E.L. Engineering Corporation, to replace six drinking fountains. This project will be executed in two phases; phase 1 began this week. Fountain locations for the first phase are identified in the blue circled areas on the map below. The City anticipates that all six fountains will be completed by the end of June 2022.
