

**SB54 California Values Act and City of Pomona Ordinance No. 2017-4244
Staff Guidelines and Training (All City Departments except the Police Department)**

Overview

California Senate Bill 54 (SB54), California Values Act, sets parameters for cooperation of local agencies and officials with federal immigration enforcement agencies. The intent of SB54 is to promote trust and communication between immigrants and local law enforcement agencies; to preserve, create, and provide effective law enforcement services to our community.

The City of Pomona adopted Ordinance 2017-4244 on December 18, 2017. The ordinance's intent is to establish policies which safeguard public safety while upholding SB54. The ordinance limits the use of City resources to enforce federal immigration law and maintains consistency with the City's core values as expressed in past acts, resolutions and mission statement and those State values codified in SB54.

The purpose of this overview is to provide guidelines and training to City personnel relating to immigration and interacting with all members of the community, immigrants, and federal immigration officials. Employees of the Pomona Police Department have separate guidelines relevant to law enforcement. The City Manager shall be responsible for training City personnel regarding the scope and requirements of the ordinance and SB54. The City Manager shall report to the City Council the status of training and compliance with SB54 annually or as requested by the City Council.

Guidelines for City Employees (Excluding the Pomona Police Department)

- A copy of Ordinance No. 2017-4244 and Senate Bill 54 are attached for review.
- The enforcement of federal civil immigration law falls exclusively within the jurisdiction of the federal government. No City department, employee, or official has any inherent authority or duty to investigate federal civil immigration law or assist enforcement with such federal law.
- Members of the community must feel secure that contacting any City employee or being addressed by any City employee will not automatically lead to an immigration inquiry or deportation.
- City employees shall not inquire into an individual's immigration status for immigration enforcement purposes.
- Requests by federal immigration officials for assistance from the City of Pomona should be directed to a supervisor. The supervisor, in consultation with their department director, is responsible for determining whether the requested assistance would be permitted under the California Values Act.
- Information regarding the citizenship or immigration status of a person shall not be disclosed by the City, except as otherwise provided under applicable federal law not in conflict with the provisions of SB54.
- Should a City employee suspect any person's involvement in criminal activity, reports should be made to the Pomona Police Department, regardless of an individual's immigration status.
- The City shall not enter into any contract, intergovernmental agreement, and/or memorandum of understanding unless such contract, intergovernmental agreement, and/or memorandum of understanding is in compliance with SB54. SB 54 prohibits the use of agency moneys or personnel to investigate, interrogate, detain, detect or arrest persons for immigration enforcement purposes (Government Code Section 7284.6). Questions regarding compliance should be directed to the office of the City Attorney prior to entering into the contract, agreement, and/or memorandum of understanding.

CHAPTER 495

An act to amend Sections 7282 and 7282.5 of, and to add Chapter 17.25 (commencing with Section 7284) to Division 7 of Title 1 of, the Government Code, and to repeal Section 11369 of the Health and Safety Code, relating to law enforcement.

[Approved by Governor October 5, 2017. Filed with
Secretary of State October 5, 2017.]

LEGISLATIVE COUNSEL'S DIGEST

SB 54, De León. Law enforcement: sharing data.

Existing law provides that when there is reason to believe that a person arrested for a violation of specified controlled substance provisions may not be a citizen of the United States, the arresting agency shall notify the appropriate agency of the United States having charge of deportation matters.

This bill would repeal those provisions.

Existing law provides that whenever an individual who is a victim of or witness to a hate crime, or who otherwise can give evidence in a hate crime investigation, is not charged with or convicted of committing any crime under state law, a peace officer may not detain the individual exclusively for any actual or suspected immigration violation or report or turn the individual over to federal immigration authorities.

This bill would, among other things and subject to exceptions, prohibit state and local law enforcement agencies, including school police and security departments, from using money or personnel to investigate, interrogate, detain, detect, or arrest persons for immigration enforcement purposes, as specified, and would, subject to exceptions, proscribe other activities or conduct in connection with immigration enforcement by law enforcement agencies. The bill would apply those provisions to the circumstances in which a law enforcement official has discretion to cooperate with immigration authorities. The bill would require, by October 1, 2018, the Attorney General, in consultation with the appropriate stakeholders, to publish model policies limiting assistance with immigration enforcement to the fullest extent possible for use by public schools, public libraries, health facilities operated by the state or a political subdivision of the state, and courthouses, among others. The bill would require, among others, all public schools, health facilities operated by the state or a political subdivision of the state, and courthouses to implement the model policy, or an equivalent policy. The bill would state that, among others, all other organizations and entities that provide services related to physical or mental health and wellness, education, or access to justice, including the University of California, are encouraged to adopt the model policy. The bill would require

that a law enforcement agency that chooses to participate in a joint law enforcement task force, as defined, submit a report annually pertaining to task force operations to the Department of Justice, as specified. The bill would require the Attorney General, by March 1, 2019, and annually thereafter, to report on the types and frequency of joint law enforcement task forces, and other information, as specified, and to post those reports on the Attorney General's Internet Web site. The bill would require law enforcement agencies to report to the department annually regarding transfers of persons to immigration authorities. The bill would require the Attorney General to publish guidance, audit criteria, and training recommendations regarding state and local law enforcement databases, for purposes of limiting the availability of information for immigration enforcement, as specified. The bill would require the Department of Corrections and Rehabilitation to provide a specified written consent form in advance of any interview between a person in department custody and the United States Immigration and Customs Enforcement regarding civil immigration violations.

This bill would state findings and declarations of the Legislature relating to these provisions.

By imposing additional duties on public schools and local law enforcement agencies, this bill would impose a state-mandated local program.

The California Constitution requires the state to reimburse local agencies and school districts for certain costs mandated by the state. Statutory provisions establish procedures for making that reimbursement.

This bill would provide that, if the Commission on State Mandates determines that the bill contains costs mandated by the state, reimbursement for those costs shall be made pursuant to the statutory provisions noted above.

CHAPTER 17.25. COOPERATION WITH IMMIGRATION AUTHORITIES

7284. This chapter shall be known, and may be cited, as the California Values Act.

7284.2. The Legislature finds and declares the following:

(a) Immigrants are valuable and essential members of the California community. Almost one in three Californians is foreign born and one in two children in California has at least one immigrant parent.

(b) A relationship of trust between California's immigrant community and state and local agencies is central to the public safety of the people of California.

(c) This trust is threatened when state and local agencies are entangled with federal immigration enforcement, with the result that immigrant community members fear approaching police when they are victims of, and witnesses to, crimes, seeking basic health services, or attending school, to the detriment of public safety and the well-being of all Californians.

(d) Entangling state and local agencies with federal immigration enforcement programs diverts already limited resources and blurs the lines of accountability between local, state, and federal governments.

(e) State and local participation in federal immigration enforcement programs also raises constitutional concerns, including the prospect that California residents could be detained in violation of the Fourth Amendment to the United States Constitution, targeted on the basis of race or ethnicity in violation of the Equal Protection Clause, or denied access to education based on immigration status. See *Sanchez Ochoa v. Campbell, et al.* (E.D. Wash. 2017) 2017 WL 3476777; *Trujillo Santoya v. United States, et al.* (W.D. Tex. 2017) 2017 WL 2896021; *Moreno v. Napolitano* (N.D. Ill. 2016) 213 F. Supp. 3d 999; *Morales v. Chadbourne* (1st Cir. 2015) 793 F.3d 208; *Miranda-Olivares v. Clackamas County* (D. Or. 2014) 2014 WL 1414305; *Galarza v. Szalczyk* (3d Cir. 2014) 745 F.3d 634.

(f) This chapter seeks to ensure effective policing, to protect the safety, well-being, and constitutional rights of the people of California, and to direct the state's limited resources to matters of greatest concern to state and local governments.

(g) It is the intent of the Legislature that this chapter shall not be construed as providing, expanding, or ratifying any legal authority for any state or local law enforcement agency to participate in immigration enforcement.

7284.4. For purposes of this chapter, the following terms have the following meanings:

(a) "California law enforcement agency" means a state or local law enforcement agency, including school police or security departments.

(d) “Health facility” includes health facilities as defined in Section 1250 of the Health and Safety Code, clinics as defined in Sections 1200 and 1200.1 of the Health and Safety Code, and substance abuse treatment facilities.

(e) “Hold request,” “notification request,” “transfer request,” and “local law enforcement agency” have the same meaning as provided in Section 7283. Hold, notification, and transfer requests include requests issued by United States Immigration and Customs Enforcement or United States Customs and Border Protection as well as any other immigration authorities.

(f) “Immigration enforcement” includes any and all efforts to investigate, enforce, or assist in the investigation or enforcement of any federal civil immigration law, and also includes any and all efforts to investigate, enforce, or assist in the investigation or enforcement of any federal criminal immigration law that penalizes a person’s presence in, entry, or reentry to, or employment in, the United States.

(g) “Joint law enforcement task force” means at least one California law enforcement agency collaborating, engaging, or partnering with at least one federal law enforcement agency in investigating federal or state crimes.

(h) “Judicial probable cause determination” means a determination made by a federal judge or federal magistrate judge that probable cause exists that an individual has violated federal criminal immigration law and that authorizes a law enforcement officer to arrest and take into custody the individual.

(i) “Judicial warrant” means a warrant based on probable cause for a violation of federal criminal immigration law and issued by a federal judge or a federal magistrate judge that authorizes a law enforcement officer to arrest and take into custody the person who is the subject of the warrant.

(j) “Public schools” means all public elementary and secondary schools under the jurisdiction of local governing boards or a charter school board, the California State University, and the California Community Colleges.

(k) “School police and security departments” includes police and security departments of the California State University, the California Community Colleges, charter schools, county offices of education, schools, and school districts.

7284.6. (a) California law enforcement agencies shall not:

(1) Use agency or department moneys or personnel to investigate, interrogate, detain, detect, or arrest persons for immigration enforcement purposes, including any of the following:

(A) Inquiring into an individual’s immigration status.

(B) Detaining an individual on the basis of a hold request.

(C) Providing information regarding a person's release date or responding to requests for notification by providing release dates or other information unless that information is available to the public, or is in response to a notification request from immigration authorities in accordance with Section 7282.5. Responses are never required, but are permitted under this subdivision, provided that they do not violate any local law or policy.

(D) Providing personal information, as defined in Section 1798.3 of the Civil Code, about an individual, including, but not limited to, the individual's home address or work address unless that information is available to the public.

(E) Making or intentionally participating in arrests based on civil immigration warrants.

(F) Assisting immigration authorities in the activities described in Section 1357(a)(3) of Title 8 of the United States Code.

(G) Performing the functions of an immigration officer, whether pursuant to Section 1357(g) of Title 8 of the United States Code or any other law, regulation, or policy, whether formal or informal.

(2) Place peace officers under the supervision of federal agencies or employ peace officers deputized as special federal officers or special federal deputies for purposes of immigration enforcement. All peace officers remain subject to California law governing conduct of peace officers and the policies of the employing agency.

(3) Use immigration authorities as interpreters for law enforcement matters relating to individuals in agency or department custody.

(4) Transfer an individual to immigration authorities unless authorized by a judicial warrant or judicial probable cause determination, or in accordance with Section 7282.5.

(5) Provide office space exclusively dedicated for immigration authorities for use within a city or county law enforcement facility.

(6) Contract with the federal government for use of California law enforcement agency facilities to house individuals as federal detainees, except pursuant to Chapter 17.8 (commencing with Section 7310).

(b) Notwithstanding the limitations in subdivision (a), this section does not prevent any California law enforcement agency from doing any of the following that does not violate any policy of the law enforcement agency or any local law or policy of the jurisdiction in which the agency is operating:

(1) Investigating, enforcing, or detaining upon reasonable suspicion of, or arresting for a violation of, Section 1326(a) of Title 8 of the United States Code that may be subject to the enhancement specified in Section 1326(b)(2) of Title 8 of the United States Code and that is detected during an unrelated law enforcement activity. Transfers to immigration authorities are permitted under this subsection only in accordance with paragraph (4) of subdivision (a).

(2) Responding to a request from immigration authorities for information about a specific person's criminal history, including previous criminal arrests, convictions, or similar criminal history information accessed through

the California Law Enforcement Telecommunications System (CLETS), where otherwise permitted by state law.

(B) The enforcement or investigative duties are primarily related to a violation of state or federal law unrelated to immigration enforcement.

(C) Participation in the task force by a California law enforcement agency does not violate any local law or policy to which it is otherwise subject.

(4) Making inquiries into information necessary to certify an individual who has been identified as a potential crime or trafficking victim for a T or U Visa pursuant to Section 1101(a)(15)(T) or 1101(a)(15)(U) of Title 8 of the United States Code or to comply with Section 922(d)(5) of Title 18 of the United States Code.

(5) Giving immigration authorities access to interview an individual in agency or department custody. All interview access shall comply with requirements of the TRUTH Act (Chapter 17.2 (commencing with Section 7283)).

(c) (1) If a California law enforcement agency chooses to participate in a joint law enforcement task force, for which a California law enforcement agency has agreed to dedicate personnel or resources on an ongoing basis, it shall submit a report annually to the Department of Justice, as specified by the Attorney General. To the extent that disclosure of a particular item of information would endanger the safety of a person involved in an investigation, or would endanger the successful completion of the investigation or a related investigation, that information shall not be disclosed.

(4) If more than one California law enforcement agency is participating in a joint task force that meets the reporting requirement pursuant to this

section, the joint task force shall designate a local or state agency responsible for completing the reporting requirement.

(d) The Attorney General, by March 1, 2019, and annually thereafter, shall report on the total number of arrests made by joint law enforcement task forces, and the total number of arrests made for the purpose of immigration enforcement by all task force participants, including federal law enforcement agencies. To the extent that disclosure of a particular item of information would endanger the safety of a person involved in an investigation, or would endanger the successful completion of the investigation or a related investigation, that information shall not be included in the Attorney General's report. The Attorney General shall post the reports required by this subdivision on the Attorney General's Internet Web site.

(e) This section does not prohibit or restrict any government entity or official from sending to, or receiving from, federal immigration authorities, information regarding the citizenship or immigration status, lawful or unlawful, of an individual, or from requesting from federal immigration authorities immigration status information, lawful or unlawful, of any individual, or maintaining or exchanging that information with any other federal, state, or local government entity, pursuant to Sections 1373 and 1644 of Title 8 of the United States Code.

(b) For any databases operated by state and local law enforcement agencies, including databases maintained for the agency by private vendors, the Attorney General shall, by October 1, 2018, in consultation with appropriate stakeholders, publish guidance, audit criteria, and training recommendations aimed at ensuring that those databases are governed in a manner that limits the availability of information therein to the fullest extent practicable and consistent with federal and state law, to anyone or any entity

for the purpose of immigration enforcement. All state and local law enforcement agencies are encouraged to adopt necessary changes to database governance policies consistent with that guidance.

(c) Notwithstanding the rulemaking provisions of the Administrative Procedure Act (Chapter 3.5 (commencing with Section 11340) of Part 1 of Division 3 of Title 2), the Department of Justice may implement, interpret, or make specific this chapter without taking any regulatory action.

(2) Consider citizenship and immigration status as a factor in determining a person's custodial classification level, including, but not limited to, whether the person is in removal proceedings, or whether immigration authorities have issued a hold request, transfer request, notification request, or civil immigration warrant against the individual.

7284.12. The provisions of this act are severable. If any provision of this act or its application is held invalid, that invalidity shall not affect other provisions or applications that can be given effect without the invalid provision or application.

SEC. 4. Section 11369 of the Health and Safety Code is repealed.

SEC. 5. If the Commission on State Mandates determines that this act contains costs mandated by the state, reimbursement to local agencies and school districts for those costs shall be made pursuant to Part 7 (commencing with Section 17500) of Division 4 of Title 2 of the Government Code.
