FINANCE

POMONA TO RESUME REGULAR UTILITY SERVICE PAYMENT PRACTICES

Effective August 1, 2022, the City of Pomona resumed regular utility service payment and disconnection practices for delinquent customer accounts. Throughout the pandemic emergency, the City has made every effort to assist customers who have experienced difficulties paying their utility bill by:

- Suspended late payment penalties from March 2020 through June 2021.
- Suspended utility shutoffs for nonpayment from March 2020 through July 31, 2022.
- Utilized grant funds awarded by the State Water Resources Control Board to provide almost \$1,000,000 in credits to delinquent accounts.

The Payment/Shut-off timeline information is provided below:

1. The City provides customers with billing statements every 61 days.
2. Customers have 3 weeks or 21 days from the billing date to pay their water bill.
3. If payment is not received on the 21st day, the City will assess a 5% penalty on the total outstanding balance and the customer will be issued a past due notice on the 22nd day.
4. Delinquent bills must be paid by the 80th day after the billing date (postmarks are not acceptable) to avoid further penalties and service disconnection.

We understand the uncertainty and financial challenges that many households and commercial establishments are currently facing. Given these unique and unprecedented circumstances, we are offering impacted individuals and businesses the opportunity to request payment arrangements. Please contact Utility Billing with any questions or concerns. Finance Department: (909) 620-2241 or Customer.service@pomonaca.gov

WATER RESOURCES

WATER CONSERVATION TREND JANUARY - JULY 2022

The State of California is experiencing severe drought conditions. As a result, the City of Pomona is currently in a Level II Water Supply Shortage that limits outdoor watering to two days per week. Compared to 2020's water consumption, residents continue to conserve water with a cumulative savings of 2%. The reduction shows ongoing efforts to save water by our customers. In addition, Staff will continue its water conservation outreach efforts to encourage our customers to continue doing their part.

On Tuesday, August 2nd, the Environmental Team attended the *National Night Out* event hosted by the Pomona Police Department. Residents visited our pop-up where they had the opportunity to talk with staff about the importance of water conservation, and play games, including a spin-the-wheel game to win a prize with a conservation message.
