## **POLICE**

### **MEET THE POMONA POLICE DEPARTMENT EMPLOYEES OF THE FIRST QUARTER OF 2023**

Community Services Officer Diana Ngo is a consummate professional at the front desk. She embodies the “service with a smile” mindset and she exercises this valuable trait daily. She is a member of the Pomona Optimist International Club that conducts positive service projects for children in the community. Diana is involved in the department’s Peer Support Program and has provided outreach and comfort to current and retired employees during

their times of struggle and uncertainty. In addition, she is well known for her years of volunteerism and active involvement in various Police Department fundraisers and events. She makes time to assist in the training of staff members assigned to the front desk. CSO Ngo is one of the first department contacts the public has at the front desk. She has embraced her role as an ambassador, and has shown responsible stewardship in her assignment as a front desk operator. We commend CSO Ngo for her strong work ethic, pleasant demeanor, customer care service, and dedication to the Pomona community!

Officer Yasmin Rodriguez always arrives to work with a positive attitude and is always prepared. She works hard and always has our community's best interest in mind when she is providing care. A suicidal, unhoused woman laid on the road of oncoming traffic and with patience and understanding, Officer Yasmin Rodriguez was able to talk her to safety. The woman was ultimately provided medical and mental health attention. Great job Officer Rodriguez!

### **CONGRATULATIONS LIEUTENANT VINCENT TERRELL ON YOUR RETIREMENT!**

After 27 years of honorable service to the City of Pomona, Lieutenant Vincent Terrell has retired from the Pomona Police Department. Lieutenant Terrell began his career as a Pomona Police Officer in 1996. During his career, he served many roles including assignments on Patrol, Community Programs, and the Detective Bureau. Thank you Lieutenant Terrell for your dedication to the City of Pomona and we wish you well in the new exciting chapter of your life!

### **POLICE DEPARTMENT MEMBERS PARTICIPATE IN ANNUAL POMONA BEAUTIFICATION DAY**

Police Department Lieutenant Brian Hagerty, and Community Services Officers Norma Macy and Natalie Diaz participated in the 14<sup>th</sup> Annual Pomona Beautification Day on Saturday, May 6th. Department members joined neighbors across Pomona in planting gardens, cleaning alleys and repainting fences in an effort to continue to beautify the City of Pomona. This year, our members focused their attention on Kiwanis and

Washington Park.

**POMONA PD PARTNERS WITH THE HOME DEPOT FOR THEIR KIDS SPRING EVENT**

On Saturday, May 6<sup>th</sup>, our Community Programs unit partnered with the Home Depot located at 2707 South Towne Avenue for their Kids Spring event. Members of our unit distributed coloring books, beach balls, candy and other family-friendly goodies to the families attending the event. Families enjoyed a photo booth, while having positive interactions with police personnel. The Home Depot was also appreciative as they often have issues with theft and crime at their business. We look forward to continuing our partnership with local businesses in our community.

Our final free compost giveaway event will be held on June 17, 2023 at the City Yard from 8:00 a.m. to 12:00 p.m., also at the City Yard.

## ***WATER RESOURCES***

### **POMONA STABLES – DEMOLITION CLEANUP**

The historical Pomona City Stables Building has been demolished and the debris is being prepared for environmental disposal. Asbestos material is part of the rubble that is currently onsite at 636 W. Monterey Avenue. Due to the presence of asbestos, the City is processing disposal per the South Coast Air Quality Management District (SCAQMD) requirements. The workers that are moving the debris are equipped with personal protective equipment and clothing. Additional precautions have been taken to monitor the air quality around the perimeter of the site. The fence around the site has been covered in plastic and air-sampling devices have been installed on the fence. The debris is being collected, compiled, and wrapped in plastic before being placed in a steel sealed container for disposal.

City Staff that work at the site are notified about the debris disposal. There is warning tape around the perimeter of the debris site fence. No person is allowed within the

fenced disposal area without proper personal protective equipment. Compliance with OSHA, AQMD, and local environmental standards are being practiced to protect public health.

### **WATER RESOURCES BUILDING - CONSTRUCTION**

Construction of the Water Resources Building site has started vertical construction.

This building site will replace the existing Water Yard at 148 N. Huntington Street. Three buildings are included at the 738-768 W. Commercial Street site. The warehouse (738), administrative (752), and reconstructed Pomona Stables (768) buildings will be in multiple stages of construction for the remainder of 2023. Due to the proximity of homes across the street from the construction site, the contractor ensures there is no debris or construction materials left in the local right-of-way.

In support of community improvements, the building project will include tangential projects. There is additional greenspace proposed within the localized project area near the intersection of Commercial Street and Newman Street. A full street reconstruction including pavement, sidewalk, curb, and gutter improvements for Huntington Street and Commercial Street is being proposed.
