CULTURAL ARTS

2024 HIGH SCHOOL WATERCOLOR CONTEST

The City of Pomona’s High School Watercolor contest is BACK! In 2020, the Watercolor contest was paused due to unforeseen closure of City Hall in response to the global Covid-19 breakout resulting in limited staff resources to hold the competition. However, we are now ready to continue our longstanding annual watercolor contest!

The Watercolor Contest has typically had themes surrounding the City of Pomona. This year’s themes would utilize two that were from previous years— Open Category and “My Pomona” (Places, Faces, Spaces) — with the suggested addition of “The Impact of the Arts” (in honor of April as Arts Month).

This contest will end with a special exhibition at The dA Center for the Arts!

AIPP BI-ANNUAL FUND - OPEN CALL

On February 26th, 2024, the Cultural Arts Commission approved the release of the Art in Public Places Bi-Annual Fund – OPEN CALL **to be released March 1st, 2024.**

CALL OVERVIEW

The City of Pomona is seeking Public Artwork through the Art in Public Places (AIPP) Bi-Annual Funding 2024 Calls. There will be two Calls conducted in 2024, and this Call refers to the first one designated “Cycle #1: Open Call for Artists”.

The Cycle #1: Open Call for Artists is composed of two parts— Part A requests that all interested artists submit a Letter of Inquiry (LOIs), which will be used to create a short-list of the highest ranked artists; and Part B Proposals, will be inviting those short-listed artists to submit proposals. While Part A Letter of Inquiry is open to all interested parties, Part B Proposal is limited to a maximum of 10 proposals for Cultural Arts Commission consideration.

All information on this Call will only be available on our website!

INFORMATION TECHNOLOGY

COUNCIL MEETING – CAPTIONING PILOT

Having launched the City of Pomona's High Definition (HD) Public Educational Governmental channel (PEG) back in January, IT is now piloting English closed captioning technology on our web stream (<https://live.pomonaca.gov>) and TV broadcast (Spectrum channel #1301). While a lot of work remains ahead of us to fine-tune the English captioning engine (e.g. Towne instead of Town, Garey instead of Gary), it is exciting to leverage technology to improve accessibility. After fine-tuning English captioning, IT will advance to Spanish captioning. Remain "tuned-in" for more updates!

PDIT UPDATES

As follow up to the February 8th City Manager Weekly report on computer system modernization, PDIT has successfully deployed all thirty new computers to the Police Department. Additionally, some of the replaced computers were repurposed for other uses to extend the life of the equipment and be more fiscally responsible.
