## **WATER RESOURCES**

### **WRAPPED CCTV CAMERA TRUCK**

The Wastewater Operations section had their CCTV truck equipped with a new wrap by Gator Wraps located in Ontario, California. The design features an illustration of a CCTV camera crawler performing a sewer pipe inspection while operated by Wastewater Division staff. The wrap also highlights one of the Division's tasks of maintaining approximately 320 miles of gravity sewer mains. It also demonstrates the various issues the camera truck operator is likely to find while video inspecting the wastewater collection's system, such as cracks or damage to the sewer main, blockages cause by roots, and blockages caused by fats, oils, grease and rags.

### **ATTENTION CITY OF POMONA WATER CUSTOMERS**

The City has been made aware of incidents involving individuals posing as City Water employees. Other cities have reported similar incidents. We want to clarify that the City does not engage in unsolicited door-to-door water sampling. Should you come across anyone purporting to represent the City and providing water testing services, please report it to our dedicated Water Resources Team at (909) 620-2251 or contact the Pomona Police Department's Dispatch Non-Emergency line at (909) 622-1241.
