COMMUNITY SERVICES

AFTER SCHOOL RECREATION PROGRAM

The After School Recreation Program offered an exciting hands-on week for youth. Youth enjoyed a culinary adventure as they made their own pizzas, explored the principles of physics and engineering by building their own balloon-powered cars, and created drawings of dogs in celebration of National Hot Dog Day. The After School Program offers youth ages 7-17 a wide range of opportunities to learn, play, and grow in a supportive and enriching environment. The program operates Mondays, Tuesdays, Thursdays, and Fridays from 2:00 p.m. to 5:00 p.m. and Wednesdays from 1:00 p.m. to 5:00 p.m. at Kiwanis, Ralph Welch, Philadelphia, Garfield, and Westmont. Coming soon, Willie White Community Center will serve as the new location for District 6, while La Casita undergoes renovations to create a state-of-the-art recreation facility featuring new computers, high-speed internet, and a dedicated study room. Thanks to the support of Representative Norma Torres and the generous \$4M award, the transformation of La Casita will greatly benefit our teens. To secure a spot in the After School Recreation Program, register online at bit.ly/pomonarecreation.

CULTURAL ARTS

CALL FOR VISUAL ARTS 2022 – UPDATES

This Call for Visual Arts is from 2022, where Commission approved over 50+ projects to occur throughout the City of Pomona, with a special focus on the Parks. However, this Call provided a special opportunity for the City to provide an arts program that was specifically designed to teach youth about creating graphic novels. The Artist Robert Roach created and taught this program at the Pomona Public Library. On August 26, 2024, the Commission was presented with copies of the graphic novel students created and heard from one of the participants!

These graphic novels will be available for check out at the Pomona Public Library.

POLICE

ICE CREAM WITH THE POLICE

Pomona Police held an ice cream social on Tuesday, August 27th at Washington Park. About 45 members of our community came to share in conversation and a little physical activity in the warm afternoon sun. We played soccer, basketball, and football with many kids who attended. We also enjoyed a variety of ice cream flavors that were generously donated by our community partners at Helados Mexico. We would also like to thank Assemblymember Freddie Rodriguez for sending his assistant, Ms. Macias, to present us with a Certificate of Recognition for our community event.

GAME ON: COPS AND KIDS

This week, Officer Sanchez and Officer Piza met some new friends at a couple of our neighborhood parks. After a friendly game of soccer, the officers donated the ball to the children. Each positive interaction with the children of our community presents an opportunity to foster long-term relationships and serve as positive role models in their lives. The Community Programs Unit has acquired a total of 100 basketballs, footballs, and soccer ball for Officers and Community Service Officers to distribute to children in our community. The objective of providing these sports balls is to encourage officers and CSOs to interact with children they encounter during their shifts.

PUBLIC WORKS

INTERMITTENT NOISE DISRUPTIONS AND NIGHT WORK

On April 15, 2024, the City Council awarded a construction contract for “Street Preservation - Citywide (FY 16-17) Project No. 67920. The Project will rehabilitate segments of the pavement along White Avenue, from Monterey Avenue, north to a point near Gate 5 near the Fairplex. In addition, work will be done on Reservoir Street from County Road to Holt Avenue. City Council approved working days and hours to include nights and weekends to prevent major traffic disruptions and provide safety for Staff.

Be advised that construction will cause intermittent high-volume noise during the duration of this Project. The project is due for completion at the end of August 2024.

WEST NILE VIRUS DETECTED IN POMONA

The San Gabriel Valley Mosquito and Vector Control District (SGVMVCD) confirmed its first detection of West Nile Virus (WNV) this year in the City of Pomona from a mosquito sample collected in the City on August 20, 2024.

WNV is transmitted to people and animals through the bite of an infected mosquito. There is no known cure for WNV. One in five persons infected with the virus will exhibit symptoms. Symptoms can include fever, headache, body aches, nausea, or a skin rash. There is no human vaccine for WNV, and severe cases can lead to paralysis or even death.

Mosquito Prevention and Protection

Mosquito control is a shared responsibility, and residents must take an active role in reducing the threat of WNV in their neighborhoods by taking the following steps:

- Eliminate standing water in clogged rain gutters, rain barrels, discarded tires, buckets, watering troughs, or anything that holds water for over a week.
- Ensure that swimming pools, spas, and ponds are properly maintained.
- Change the water in pet dishes, bird baths, and other small containers weekly.
- Wear insect repellent when outdoors where mosquitoes may be present.
- Report neglected (green) swimming pools in your neighborhood to your vector control district.

REMINDER TO FOLLOW BIKE LANE RULES AND REGULATIONS

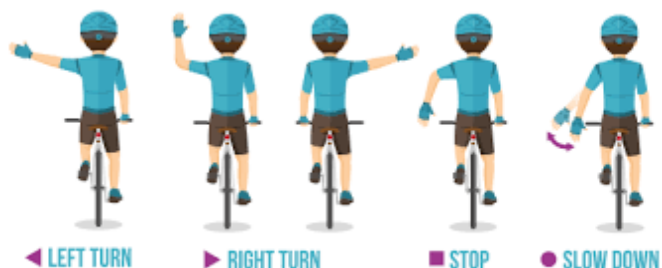

According to the Department of Motor Vehicles (DMV), each year in California, over 100 bicyclists are killed, and over 10,000 are injured in collisions on our roads. With more new bike lane facilities being implemented throughout the City, here are some guidelines (provided by DMV and Pomona Police Department) to follow when riding a bike in traffic or driving in areas where bicyclists are present:

For bicyclists:

- **At night, use lights and reflectors** (at minimum, a front white light with a visible distance of 300 ft. and a rear red reflector with a visible distance of 500 ft.)
- **Always wear a properly secured helmet.** Helmets lower the risk of a serious head injury in the event of a collision.
- **Bicyclists must travel in the same direction as traffic.**
- **Yield to pedestrians, just as a driver would.** Within designated crosswalks or unmarked crosswalks at intersections, pedestrians have the right-of-way.
- **Use hand signals before making turns or changing lanes.**
 - Look behind you, over your left shoulder, and then extend your left arm out to signal a left turn.
 - Hold your left arm up with your elbow bent to signal a right turn.
 - To signal to slow or stop, extend your left arm down.
 - To signal that you are slowing or stopping, extend your left arm down.

For drivers:

- **Look carefully** for bicyclists and pedestrians before making a turn or opening a car door near streets or bike paths.
- **Be patient when traveling behind a bicyclist.** Maintain at minimum three feet of space when passing or overtaking a bicyclist.
- **Slow down and follow the speed limit.** Be careful traveling through intersections.
- **Never drive distracted or impaired.**
